What about safety?

With Grace Foundation holds safety as a top priority. WGF staff are trained and equipped to provide a safe and incident-free mission experience. WGF staff will be with your team for the entire trip and will have access to transportation, cell phones, hospitals, and first aid kits at all times. In the event of an emergency, WGF staff will guide and assist your team with proper next steps.

How will transportation be handled?

Van rental to accommodate entire team.

Is there a travel agent you recommend?

Yes, you can contact Vu Tran for your airfare needs or you can book online. Ideally we should all fly out together. You will need to get a visa to enter Vietnam.

What about meals?

Most hotels or motels provide free breakfast, lunch will most likely be in the mission field (banh mi or similar). There will be a sit down dinner.

Is there a language barrier?

We will have translators.

How do you choose your staff?

Each person interested in going should have the conviction or calling to go. No medical skills needed. Just the heart to serve and be use by God. Remember this is a mission trip NOT a vacation!!!
